

Greg Altman, PGA

Gregory.Altman@taylormadegolf.com

I have been a territory sales representative for the TaylorMade Golf Company for 22 years. Before this, I was head professional at two Tri-State private clubs: The Country Club in Meadville and Wildwood Golf Club in Allison Park. I owned the golf shop at both facilities.

I have dedicated my career to the golf service industry and take great pride in helping others achieve their goals and strive to levels they may have thought unattainable.
