Tri-State PGA Team Golf League Summary

The Tri-State PGA is excited to introduce the **TSPGA Team Golf League**, a competitive and team-oriented league designed exclusively for TSPGA Professionals. This league provides an innovative format that fosters camaraderie and spirited competition.

League Overview

The league features a **fantasy draft-style** structure where team captains build their rosters, ensuring a mix of experience and talent. Each team **tentatively** will consist of:

- **1 Super Senior Player** (from the Srixon/Cleveland Golf Division)(Ages 60+)
- **1 Senior Player** (ages 50+)
- **3 PGA Members/Associates** (any age under 50) | *in good standing

* ALL players must be in good standing as required by the TSPGA

Draft & Championship

Registration opens on March 5th, and the deadline to register is April 15th.

Players must register on the TSPGA Website BlueGolf tournaments page to participate and submit their \$ 200 season entry fee. Your registration will also ask if you would like to be considered as a team captain.

Once registration is complete, the section's staff will finalize the number of teams and players per team. The draft follows a **snake format**, with each team captain selecting players within a **30-second time limit** per pick.

- **Lineup Selection:** A weekly selection is not required, as all drafted players are eligible.
- **Championship:** The Top 3 Teams with the best team stroke play score will collect a prize pool payout and trophies. The **winning team's purse** will be evenly distributed among its members.

Branding & Prizes

Each team will have a **custom name and logo**. **FootJoy has offered to supply a complimentary .DST file for logo branding purposes.** Thank you to FootJoy.
