Interested in hosting PGA Family Golf at your facility? Join PGA Professionals Meg Stem and Ali Beam and co-hosts, Kim Shafer, PGA, LPGA, and Stacey Rice Dorman, PGA as they share practical tips and best practices for creating meaningful, fun experiences for families at your course.

PGA Family Golf is a team-based playing experience that brings families together on the course in a relaxed, welcoming format. It's designed for all skill levels and encourages participation from parents, grandparents, and kids—making the game more inclusive and engaging.

Adding PGA Family Golf to your programming:

- **Drives incremental revenue by bringing in more participants**
- **Strengthens relationships with families already involved in your PGA Jr. League**
- **Encourages retention by creating memorable, shared experiences**
- **Builds a stronger sense of community around your facility**

Can't attend live? Register anyway to receive the recording.
