Subject: Bring the Fun Indoors - Host a PGA Jr. League Simulator League This Winter!

Hi PGA Jr. League Coaches,

Don't let winter slow you down! This Simulator Season (Dec.1, 2025 - March 31, 2026), keep your players engaged and your community connected by hosting a PGA Jr. League Simulator League. It's a fun, friendly way to battle the winter blues, grow your program, and compete with teams nationwide - all from the comfort of your facility.

Getting started is easy:

- 1) Register your Simulator League program.
- 2) Play on one of our featured courses.
- 3) Submit your scores to the national leaderboard - play as often as you like!

All ages are welcome, and we'll even feature top coaches and stories in our national newsletter. If you're new to simulators, reach out to your Player Engagement Consultant, Kim Shafer, PGA, LPGA for tips and best practices.

The link below has all the details for how to get started.
